

DON'T MISS! Christian Healing Sat 3rd Feb

St Luke's from 10am-12.30pm

For this Discovery Morning we are delighted to welcome visiting leaders from the Torbay School of Supernatural Ministry.

TSSM is an equipping school for passionate believers who are hungry to see the Kingdom of God released through them and the people around them.

Don't feel intimidated by the word 'supernatural' - God is by his very being 'supernatural' and all our prayers call out for his divine intervention 'supernaturally' in our lives and those we pray for.

So, even if you haven't been to a Healing Discovery Meeting before, come along and see what it's all about!
