11am Family service

Although we have two churches, we are one parish with one minister so it is great when we have a chance to come together for worship. A few weeks back we enjoyed a joint Pentecost Service at St. Luke's and over the next few weeks there are two other opportunities for us to worship as one. On these occasions both services will be at SS Peter and Paul: our Fathers' Day Community Service at 10am on 17th June and then our Patronal Festival on 1st July at 10:30am. Please make a note of the different times but do remember that there will be the usual 8am service of Holy Communion at SS Peter and Paul on both of these Sundays to which you are always welcome.

On the notice boards in both churches you will find a calendar with dates and times of other upcoming events or changed service times. These will be highlighted in Pews News in future but do make a note of them; if you're unsure you can always check the website for up to date information. If you have any questions please speak to Nick, Bill or me, Kimonie
